Placement Day: The What and Why

Placement Day is our try-out for the M14 Academy. This is our way to ensure quality as we are able to observe who is not only interested but also committed. This is the fairest way we have found to assess growth and talent from season to season. Players are evaluated based on skill and talent in hopes of being placed in one of our M14 Academy classes. This means that not everyone will be placed. Each Academy Season, spots are **earned** which means all players must be evaluated before the preceding Academy Season.

If your player is not available for their official Placement Day, we do offer make-up evaluations. All players must be evaluated by August 7th to be considered in the first round of invites. If an alternate date is needed, please contact us at indyinfo@m14hoops.com.

M14 Academy

 3-month commitment

- 12-weeks total (Divided into 3 Parts)
- Each Part covers 4-weeks (8 sessions)
- Weekly makeup session. All makeup sessions will be on Fridays.

 Difference in classes: At each grade level we divide based on ability.

 Progressive Program: Each Session & Part building on the next.

 IQ/Mentality Training

- Competitions (1on1, 3on3)
- Helps us address body language, listening, adversity, and “being a star.”

 Skill progression correlates with each player’s needs.

 Other perk: Automatic invite into the Winter Overtime (Nov-Feb)

CURRICULUM

- 1-Day: Ball Handling (Creating Space, footwork, attack moves, handling pressure)
- 1-Day: Shooting (Footwork, shots off dribble, catch & shoot, form shooting, moving w/out ball)
- Last week of each month we will work on translating the skills learned in live game situations playing 1 on 1, 3 on 3, & in some classes 5 on 5

During the fall, the Academy is divided into 3 Parts. Each Part will consist of 4 weeks. For the first 3-weeks of each part 1-day will be dedicated to ball handling, and the other day will be dedicated to shooting. Then for the last week of each part we show the players how to translate the skills they learned in live game situations playing 1 on 1 and 3 on 3.

Our philosophy is to introduce a move to a player, show them 'how' to do the move and 'why' they are doing the move. After that we want that player to get as many repetitions as possible doing that move at the correct pace.

Each week we build on our moves and concepts, so attendance is expected. Players in this program do need to purchase our Player Package which is our Academy practice jersey. Players are required to wear their Academy Practice jersey to every Academy training session.

- We WILL NOT have a session on Labor Day
- 90-minute sessions each class
- Players are divided into divided into different classes based on skill and talent.
- Progressive Program: Each session building on the next
- 10:1 Player to Coach Ratio

IT WORKS!

After 12 weeks of training expect to see RESULTS 97% of all players who train in our Academy make the grade level team. That percentage increases as the length of time increases that a player has trained with us. The Academy Program stresses skill but also life lessons that will help your player on and off the court. We believe in discipline, structure and creating a positive environment that appropriately challenges players. It works!

Through the M14 Academy, our goal is to make practice skills transferrable into game play.

**We are continuously growing and learning.
We have upgraded our training program to reflect these new concepts.**
